

We focus on customizing aluminum shower enclosures.

# About Us

BRILLIANCE METAL CO.,LTD. a comprehensive enterprise with wide business scopes covering investments, metal, equipment and energy industry.

Our main products of export are:

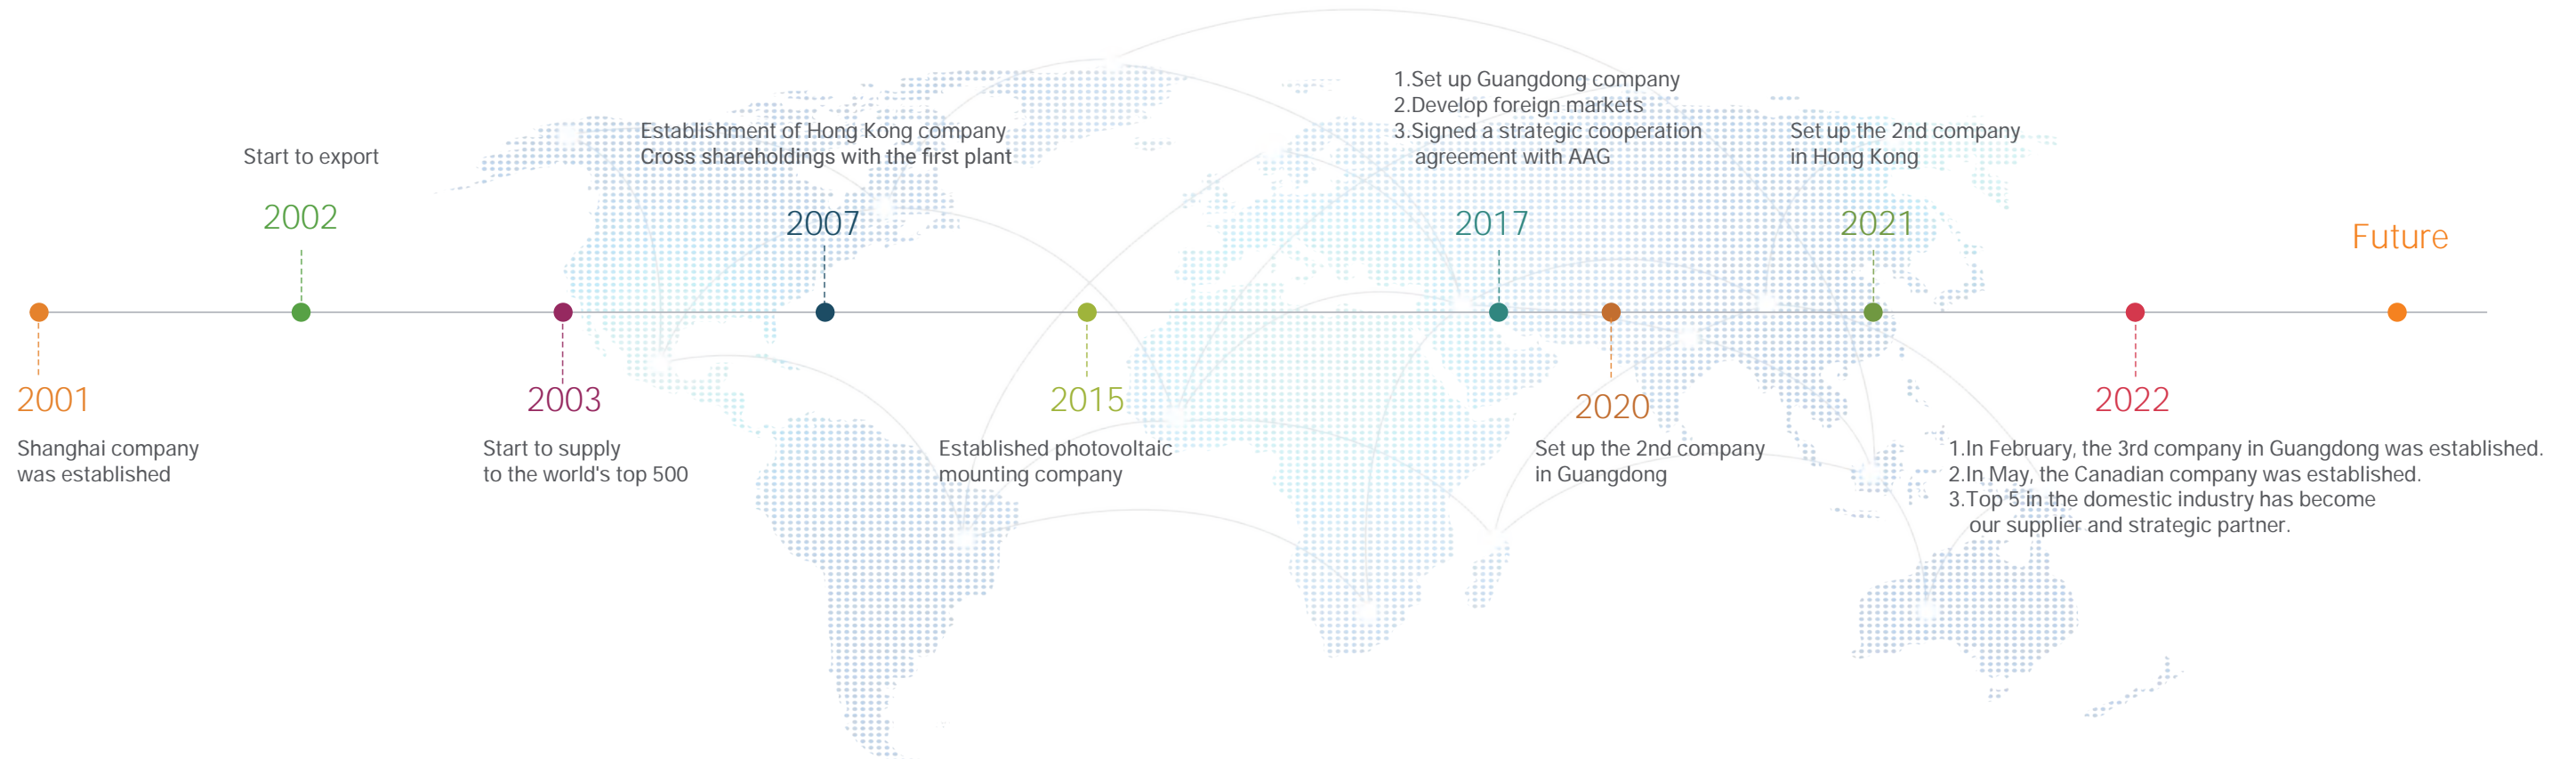

1. Metal materials such as: OEM customized aluminum construction profiles, industrial profiles and decoration profiles, etc.
2. Semi-finished products such as CNC parts and other machining parts, etc.
3. Finished products such as doors and windows, fences, gutter guards, grass edging, ladders, etc.

Brilliance has our own invested factories and 7 branch companies. They are in Shanghai, Foshan, Guangzhou, Nanping, Wuxi, Hongkong, Vancouver, etc.
